## EURO BUS EXPO 2006 WELCOMES YOU TO BIRMINGHAM!

We are delighted to see so many visitors who are coming from both Europe and worldwide to attend this year's show and they can be sure of a warm welcome when they arrive. With over 250 exhibitors and 150 vehicles packed into the NEC in Birmingham, United Kingdom, Euro Bus Expo 2006 (EBE) is the must attend event of the year for the bus and coach industry.

**THE UK SECRETARY OF STATE FOR TRANSPORT, DOUGLAS ALEXANDER, WILL OFFICIALLY OPEN EURO BUS EXPO 2006** at the NEC Birmingham on the 7th November, confirming the Government's commitment to ensure that coach and bus transport remains high on the political agenda.

### NEW VEHICLES BEING LAUNCHED

As the opening day to EBE 2006 draws closer, the number of new vehicles on display is growing all the time. As we go to press, we already have confirmation from the following leading European suppliers who will be showcasing their latest vehicles and European premieres: Bova, Mercedes-Benz, Scania, Volvo, Neoman, Optare, Plaxton, Scania, Temsa, Wrightbus, Volvo, BMC and Van Hool. Although currently under wraps at the moment, some exciting announcements from other suppliers are expected shortly. Visit the show website for the very latest news [www.eurobusexpo.com](http://www.eurobusexpo.com)

### EURO BUS EXPO 2006 AN INTERNATIONAL EVENT

Euro Bus Expo is driving into the heart of Europe and reaching out to the rest of the world. The show will be attracting over 10,000 buyers from over 15 countries including visitors from some of Asia's fastest growing economies, India and Taiwan. Representatives from European countries including the Netherlands, Sweden, Belgium, Italy, Germany and Finland will also be attending. And with over 250 exhibitors, this event is moving rapidly into becoming one of the world's leading events for the Passenger Transport Industry.

European Bus of the Year heads to Birmingham

### MEET WITH REPRESENTATIVES FROM THE OLYMPIC DELIVERY AUTHORITY

The Olympic Delivery Authority (ODA) is responsible for implementing a first class transport system for the Olympic and Paralympic Games in London in 2012. Over €25 billion (£17 billion) will be spent on transport for London before 2012 and will have fundamental implications for the European Bus and Coach Industry with immense opportunities for operators, manufacturers and suppliers. Come and meet the representatives from the ODA and find out how the 2012 Games could impact your business.

### ONE LOCATION - TWO GREAT SHOWS

Whilst you are at EBE 2006, take time out to visit Transport Innovations 2006. This is a new exhibition, located within Hall 4 showcasing the technologies, services and passenger transport operators who are gradually shaping and creating the transport of tomorrow. Transport Innovations covers road, rail and intermediate modes such as light rail, guided buses and personalised rapid transit (PRP). [www.transportinnovations.com](http://www.transportinnovations.com)

### EUROPEAN BUS OF THE YEAR

is coming to Birmingham. Launched at the beginning of 2006, the Mercedes-Benz Citaro LE Ü Low Entry rural-service bus has been awarded "Bus of the year 2007" and is set to make its stunning debut at Euro Bus Expo 2006.

The international jury, comprising bus editorial teams from 15 European countries, awarded the Citaro LE Ü its highest accolade for buses in Europe after an exhaustive round of testing and trial drives. Visitors to EBE will be able to see this latest vehicle straight from its journey from Hannover.

### NEW SHOW PLANNER FOR 2006!

With over 250 exhibitors occupying over 30,000m<sup>2</sup> of space in huge Halls at the NEC, we want you to leverage your time to maximum effect at the show and find those organisations that you need to see quickly and easily. Our new Event Planner will help you do just that. It will let you plan your trip to the exhibition before you arrive, locate key exhibitors, print personalised floorplans and make online appointments. You can also view products online and download exhibitor brochures.

### RDA - INTERNATIONAL COACH TOURISM FEDERATION E.V

is holding its European convention about "the consequences of the EU directive on coach driving times and rest periods and current coach tourism issues and developments" at Euro Bus Expo on Thursday 9th November 2006.

INTERNATIONAL VISITORS can be sure of a warm welcome when they arrive at the NEC with the unique offering of a dedicated business lounge facility, which will have all the necessary information about the show and what it has to offer. There will be FREE Interpreter services in French, German, Italian, Spanish and Mandarin Chinese. Visitors will also enjoy complimentary refreshments

### throughout the day NEW AND IMPROVED FACILITIES AT THE NEC

The NEC has undergone a massive €60 million (£40m) improvement programme during the past 18 months. Developments include a remarkable transformation in the catering facilities at the NEC, which we hope will help you to have a relaxing, enjoyable and productive time with us at the show.

## NEWS IN BRIEF

**FIFA 2006 WORLD CUP MEETS OLYMPICS 2012**  
Andreas Maatz, Head of Traffic and Transportation FIFA World Cup 2006 offers a fascinating insight into how the provision of buses by the German authorities had such a major influence on one of the world's biggest sporting events at the Euro Bus Conference, followed by Hugh Sumner Director of Transport Olympic Delivery Authority (ODA), who is concentrating on the London 2012 Olympics.

**A BEULAS-BODIED MAN** coach will be making its show debut at Euro Bus Expo

**IRISBUS 'S** LoGo, the long awaited low-floor minibus, bodied by MCV will be premiered

**MERCEDES - BENZ** will be showcasing the replacement of the Touro

**VOLVO's** upmarket 9700 coach has expanded in length, is on three axles and will be on display at Euro Bus Expo

**FRESH FROM THE IAA** in Hannover last month comes the news that Arriva Bus & Coach is adding the Opalin midi coach to the range of Temsa products, which it offers in the United Kingdom.

**TWO PSV** certified stretch limos will be on display.

**THE DEPARTMENT FOR TRANSPORT UK** is proposing that the national concessionary fares scheme, due to start on 1st April 2008, will be administered by local authorities rather than centrally. This has implications for tourist cities, particularly London visitors who will be able to find out all the latest developments on this hot topic.

### ALEXANDER DENNIS

The Enviro200 Dart will take centre stage on the Alexander Dennis stand alongside a low-height Enviro400 double-decker

### CPT - CONFEDERATION OF PASSENGER TRANSPORT UK

The Confederation of Passenger Transport UK (CPT) is recognised by Government as the voice of the coach, bus and light rail industries and is the focus for consultation and negotiation on national and international legislation, local regulations, operational practices and engineering standards. Representatives from CPT will be in attendance on all three days.
